Our Town 4/25/19

The Soupster hears about the "Mad Captain"

Originally published April 21, 2005

The Soupster mistook for a friend the stranger to Our Town he saw occupying a bench above the harbor.

"You look just like him," the Soupster apologized, when he got closer. "This guy you look like has lived in Our Town forever."

"I'm Richard Labb," said the stranger, shaking the Soupster's hand. "Visiting, er, Your Town, from Canada on a tour of the Inside Passage. Except Your Town is not very Inside anything, is it?"

"Sounds like you just took a boat trip," guessed the Soupster.

"A fishing charter," said Labb. "Before today I thought I had pretty good sealegs. But twice on the charter I made a personal contribution – over the side – to Davy Jones."

"Rough charter?" the Soupster said.

Labb laughed, a touch maniacally. "You don't know Captain Leonardo?"

"I don't" said the Soupster.

"He has strange rituals that he insists his customers perform on board," Labb said. "Really?"

"After we left the harbor and were heading out – as soon as we got by those big rocks near the airport runway – Captain Leonardo insisted that I and the three other clients on board remove our socks and allow him to lock the socks up in a little box he kept by the helm," Labb said.

"Any explanation?" asked the Soupster. "Said it would help us catch fish," said Labb. "Leonardo also said that when he served sandwiches for lunch."

"Sandwiches seem pretty normal," commented the Soupster.

"He made us eat the sandwiches from the outside in, crusts first," said Labb. "All the way around the outside of the sandwich until we had a little soft disk of the center left. Captain Leonardo watched us closely as we ate and made sure we all did it. 'Important to catch the fish!' Leonardo insisted."

"A lot of people have odd rituals they use to attract fish, but Captain Leonardo does seem a bit like Captain Crunch," admitted the Soupster.

"But the worst, the absolute worst, was Captain Leonardo's constant rhyming and word games," Labb said. "He did not shut up for one single second. When Captain Leonardo found out I was from Canada, he started calling me 'Labrador Labb.' When he found out I was a veterinarian, he asked me if I had ever tested the blood of a retriever. When I said I had, he went berserk."

"'Labb from Labrador's Labrador retriever blood testing laboratory,' chanted Captain Leonardo. 'Labb's Lab Lab Labs.' After about half an hour, he made started making us all repeat, 'Labb's Lab Lab Labs.' He had similar sayings for everyone else, too."

"Well, you're back on dry land now," the Soupster said soothingly. "And you never have to take one of Captain Leonardo's charters ever again."

"Actually, I've booked a trip with him later in the summer to troll for coho," said Labb.

"Why? Leonardo drove you crazy," said the Soupster.

"I know," said Labb. "But you should see all the fish we caught!"

Work as Play & Play as Work

Play is super important to the healthy growth and development of children. As children play, they learn to solve problems, to get along with others and to develop the fine and gross motor skills needed to grow and learn.

Berry picking!

Sandcastles at the beach

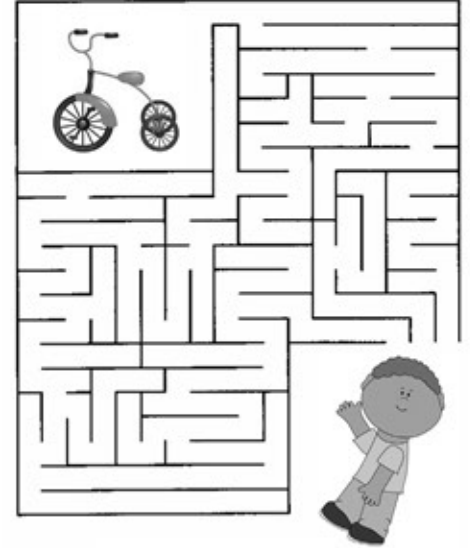

Fishing is fun work & play

Caring for pets is daily play and work for many kids. Color the kid & his pets!

Why do adults tell you to go and play? It's because playing is actually your job (the way an adult's job is to work!)
