university

11 Letters

scholarship

Fact or Fiction

Circle "FACT" or "FICTION" and test your knowledge about how students receive funding for their education after high school. You may be surprised to discover that some things you thought were fact may actually be fiction.

- | | |
|---|----------------|
| 1) Students must figure out how to manage their college expenses on their own. | FACT FICTION |
| 2) All financial aid comes from the government. | FACT FICTION |
| 3) Financial aid only goes to students with good grades. | FACT FICTION |
| 4) Applying for aid through the FAFSA will only give students access to loans. | FACT FICTION |
| 5) Students can be disqualified from receiving financial aid because of their family income. | FACT FICTION |
| 6) A veteran cannot access any additional financial aid if they are already using GI benefits. | FACT FICTION |
| 7) Students who complete the FAFSA are more likely to follow through, and attend at least one semester of college. | FACT FICTION |
| 8) Students have to be attending classes "full time" to receive financial aid through the FAFSA. | FACT FICTION |
| 9) Everything from a Certificate program to a PhD qualifies for some form of financial aid. | FACT FICTION |
| 10) The financial aid a student receives will be the same no matter what school they attend. | FACT FICTION |
| 11) Financial aid can cover the cost of room and board for on campus students. | FACT FICTION |
| 12) Students must reapply for financial aid through the FAFSA every year. | FACT FICTION |
